By: _____

Teri Nelmark

Commissioner for Patents
Post Office Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Information Disclosure Statement is filed before the mailing date of any final action under § 1.113, a notice of allowance under § 1.311, or an action that otherwise closes prosecution in the application.

Applicant submits herewith a copy of a case study written by Greg Stein titled "Case Study: Python in a Commercial Environment." This case study provides information about the development of eShop, Inc., which some potential licensors have identified as prior art.

A list of the patent(s) or publication(s) is set forth on the attached Form PTO-1449 (Modified). A copy of each of the items listed on form PTO-1449 is supplied herewith.

A concise explanation of relevance of the items listed on PTO-1449 is not given. The Examiner is respectfully reminded that a "concise explanation of the relevance" of the submitted

prior art "may be nothing more than identification of the particular figure or paragraph of the patent or publication which has some relation to the claimed invention," MPEP § 609.

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 C.F.R. § 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 C.F.R. § 1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. It is submitted that the Information Disclosure Statement is in compliance with 37 C.F.R. § 1.98 and MPEP § 609 and the Examiner is respectfully requested to consider the listed references.

The Commissioner is hereby authorized to charge any fees necessary in connection with this matter to Deposit Account No. 04-0822.

Respectfully submitted,
DERGOSITS & NOAH LLP

Dated: August 4, 2005.
